Primary School Construction Project GG 1869978

As a part of Global Grant 1869978, Rotary Club of Rudramati supported a primary school Shree Saraswati Primary School located in Siranchowk Municipality Ward No. 3 Harmi Gorkha district. The major objective of the project was to reconstruct a early childhood development classroom , office room and toilet which was damaged by massive earthquake 2015.

Rotary International Technical Cadre Officer PDG Rtn. Vishwas Sahasrabhojane visited the construction work in December 2019. During the visit he monitored the ongoing construction work and interacted with the school management committee and parents group.

So far, we have completed the construction work and training programs. Soon handing over ceremony is being planned.
